COMMUNITY IMPROVEMENT PROGRAM

The Woman's Club House is being used for 3 classes sponsored by the Palo Alto Unified School District Adult Education, all open to the public:

FIRST, and our main project are the classes in Braille. Club members and others are learning Braille, with the aim of helping to print text books for blind students, so that they can keep up with their fellow students in school. This class meets Monday mornings each week at the Clubhouse, no fee for this class.

SECOND, Art classes entered by beginners and advanced, acrylic and oil. An art show was held in November and four ribbons awarded. These paintings will be shown at the Loma Prieta District general meeting in our Club in March.

THIRD, Current events, readings and book reviews.

DANN PROJECT, The Woman's Club of Palo Alto continues its sponsorship of DANN Inc. and hold parties for the Veterans, serve dinners at the Half-way House. We also sponsor "The Haven" at the Menlo Park Division, with cash, as well as hostess for teas and get-togethers.

YOUTH December 15, the Gunn High School Choir was our program and a cash gift qas given to further their worthwhile activities.

A gift was made to a newly formed 4-H group at Palo Alto Baylands.

Another gift was given to the Palo Alto Chamber Orchestra (High School Students)

Annual Scholarships are given to a Palo Alto High School Student, and to the Indian Creek Willie Scholarship Fund.

A committee, with Junior Woman's Club President, attended hearings on Drug Task Force program with the idea of both clubs becoming involved.

GERONTOLOGY Members work on the board of Palo Alto Senior Guild, and serve as hostesses at the downtown drop-in center for senior citizens. Members attended an Ad Hoc meeting at a downtown church, and four will be on the board, for low cost meals to be served three times per week to senior citizens. This plan is sponsored by Rotary Club and will be subsidized about the Government.

COMMUNITY IMPROVEMENT PROGRAM Page 2 Forward

Members also wrote letters and attended meetings about low bus fares for senior citizens and handicapped people. This will be an experiment beginning March 1st, with bus fares of 5 cents until 4 p.m.

A Club Tour Director arranges charter bus trips to interesting places, for members, and mostly older members take advantage of the special rates. Tours to a large shopping center at Christmas time; to a Flower Show at Hall of Flowers in Golden Gate Park; to British Week Fashion Show in San Francisco; to the Ice Follies.

One member is Tour Director for the Community Center Senior Citizens Group of which many Women's Clubbers are also members. So our members have two chances for cha rter bus trips and many take advantage.

MUSIC The Club Chairman, pianist and composer, played her own compositions in a special Holiday concert at Palo Alto Community Cultural Center. This program was also given by request for the Lions Club of Palo Alto; the Swedish Club of San Francisco and the Senior Citizens of Little House, Menlo Park.

Club talent at our December first meeting with the Extempore Choir singing a group of Christmas Carols. A brief history of the carols was prepared by the music chairman and read to the asembly.

A Sextette of club members has been rehearsing with the music chairman as accompanist and director, for the purpose of preparing special songs for entertainment at some of our club events. The Sextette has also been invited to sing at the District Meeting in our Clubhouse in March and at the Club's fashion show in April.

The Federated Woman's Club of Palo Alto sponsored the Junior Woman's Club of Palo Alto in 1941-1942, thirty years ago!

The Junior Woman's Club, consisting of twenty-one members, are an active group, dedicated to "helping others".

Our motto this year is "getting involved" and "DOING FOR OTHERS". Both the Juniors and the General membership have been "HELPING OTHERS".

At the beginning of the year, there was a feeling of lack of communication between the two clubs. It seems that this had been felt by the Juniors for a few years. We felt that the Juniors wanted to pull away from the general club who have been their sponsors for thirty years. Both clubs made an effort to get to know each other, be more friendly, help each other in many small ways, show love. This I believe was accomplished. This was most important in the minds of both presidents. First, they got to know each other, learned of each ones feelings, tried to get the two groups together by getting involved.

We appointed an associate coordinator so that either the coordinator or the associate coordinator could attend all of their meetings. This worked out well; the assistant coordinator has been learning what is expected of her if she should be appointed to be the coordinator for the next year.

The president of the General Club has attended Los Altos District meeting in September, Area A. meeting in October and "Las Vegas Night" in October, and expects to attend the Reciprocity Day, March 11, at Waikiki Village in Los Gatos. The Junior Club President attended all general club board meetings and most of the regular meetings.

We have made an effort to have a closer relationship with them. I sincerely believe they have realized that we are their sponsors and we are ready to help them in anything, and that we are a friendly group of women. We have found in them, during this year that they are a dedicated group of young women who want to get involved, and get better acquainted. Most important, we feel that a harmonious atmosphere prevails.

1. Did the sponsoring and Junior Club have joint board and/or regular meetings? NO

2. Did chairmen from both clubs have joint meetings? NO

3. Did the sponsoring club honor the Junior Club? YES
We have this scheduled in our yearbook for May 3, 1972. The general club will have a potluck dinner and the Juniors will furnish the entertainment. At this time the General Club will present the Junior Club with an amount of money not yet decided by the board and the membership. I presume it will be twenty-five or fifty dollars. It was $100.00.

4. Did the sponsoring club honor the coordinator? We are going to honor the coordinators also on May 3, 1972 and plan to give each a gift.

5. Did your club honor junior graduates? There were none.

6. JUNIOR REGULAR MEETINGS BY SPONSORING CLUB MEMBERS:

NOTE: Our membership is 197 and they average age of about 70. Therefore, we cannot expect our members to go to the Junior meetings, district meetings, or socials. Many of them NEVER go out at night.

9. JOINTLY SPONSORED SERVICE PROJECTS INVOLVING CHAIRMEN FROM BOTH CLUBS:

	PROJECT	INITIATED BY	PARTICIPATION - SPONSORING CLUB	PARTICIPATION - JUNIOR CLUB
	Safety	Junior Club	Sponsoring Club contacted Nursery Schools and parochial schools in Palo Alto to place Kite Flying Safety Pamphlets.	
10.	Birthday Luncheon	Sponsoring Club	The Junior Club attended the general club's Birthday Luncheon. They also contributed food, serving and clean-up. 50%.	
11.	Penny Pines	Junior Club	The two clubs divided the fee of $68.00.	
12.	Bazaar & breakfast & Luncheon	Sponsoring Club 100% participation from both clubs	The Junior Club was given the opportunity to serve breakfast and luncheon at the Bazaar held at the Woman's Club. The Junior Club made $125.00.	

We have also collected old eye glasses for the Junior Club Project.

District Meeting March 13, 1972	Sponsoring Club	The Juniors will participate by serving coffee and doughnuts at 9 A.M. and lunch at noon.
We had a chain prayer day	Junior Club	For a past Junior President who has cancer.

13. DESCRIBE:

a) Any methods used by your Club to establish and maintain rapport between your club and the Junior Club.

The president of the sponsoring club always calls upon the President of the Junior Club to speak first before any of her chairmen at each board meeting and regular meetings of the club.

b) Any circumstances or conditions which may affect your Club's ability to improve junior/general relationships.

Imperative to have good communication at all times, free to discuss mutual problems, a genuine interest in developing "togetherness", important to attend district meetings together and above all show that "you care about what the Junior Club is doing".

c) What three projects this year were of greatest value in gains made, and goals achieved in the relationships and why.

1. Because of the small membership in the Junior Club, our General Club members, as a method of getting to "know" the girls, and helping them raise money, suggested they might like to serve breakfast and luncheon for our annual bazaar. This resulted in the Junior Club netting $125.00 for their four hours of work at the Club house. This was the real beginning of our "involvement"and "togetherness".

2. It is traditional for the Juniors to use the Club House without charge. On February 12th, the Juniors observed "Past President's" night at which time the General Club President and Coordinators were honored.

3. We are looking forward to honor all the Junior Club members at a pot-luck dinner on May 3, 1972. Our Senior Club will present our Juniors with a check to assist them in their many worth-while projects.

d) List any special services rendered by your club to the Junior club which are not previously reported herein.

On June 5, 1972 the Senior Club president and her husband entertained at a get-acquainted party at their home. There were 75 senior members and their husbands present. The Junior President and her husband were our special guests.

The annual report of the Junior's was given and it was incredible in its completeness, indicating a vast variety of projects by all members, completely dedicated in service for others. This resulted is as always true, a reciprocal benefit to every member and an inspiration to all of the Seniors. This outstanding report of the Junior Club deserves National recognition.

We have tried all year to better our relationship with the Juniors and be of some assistance whenever needed without pushing ourselves. We have included them in all our socials, board meetings, regular meetings, tours and birthday parties, etc. The president of the Junior Club is a gracious person and I, as president of the Senior Club, have enjoyed working with her, and both of us willing to "do for others" what we can.

Thank you for the questionnaire - very helpful and I feel much more might have been done for "others".

President of the General Club

CULLEN KEY AWARD

The Cullen Key Award was established in April, 1971, in honor of Mrs. John Cullen (Jacky), first president of Loma Prieta District, CFWC, JM, by Mrs. W. E. Moore, Jr. (Gloria), the District's first coordinator.

Jacky's theme for the 1970-1971 year was "Involvement, Our Key to Federation." The award plaque displays a Federation key, and is to be a rotating annual award given to a sponsoring club. Reports submitted by sponsoring clubs to the District Coordinator will be judged by three judges and awards made at the annual Loma Prieta District, CFWC, convention, with recognition also given at the Loma Prieta District, CFWC, JM, convention.

The award was conceived to stimulate member involvement in the junior/general relationship on the general club level, and to give recognition for in-depth growth for this involvement.

It is my hope that Jacky's example and concern for the junior/general relationship will long be remembered in the years to come when this award is presented.

Mrs. W. E. Moore, Jr.
District Coordinator

Report Requirements

1. Reports must by typed, double-spaced, on standard typing paper. No carbons or onion skin paper will be accepted.

2. Reports are to be submitted in a BLUE folder. On the outside of the folder, type the Name of the Award, Names of both sponsoring and junior clubs, and the numbers of members in each club, and the year.

3. Reports are due before March 10, 1972 to the District Coordinator.

FOREWORD

During the 1971-1972 year there has been a conscious and directed effort on the part of the Palo Alto Woman's Club and the Junior Club to communicate and become acquainted with each other. The Coordinator or Assistant Coordinator has attended every meeting of the Junior Club. Frequently other members of the general club have accompanied the Coordinators to the Junior Club meetings. The Coordinator has attended every Board meeting of the Junior Club. The president of the Junior Club has attended every executive board meeting and general meeting of the Palo Alto Woman's Club. Frequently other officers or members have attended with the president. The Coordinators feel that this effort has resulted in a much more harmonious and cooperative atmosphere between the two clubs.

PROJECTS JOINTLY SPONSORED BY PALO ALTO WOMAN'S CLUB AND JUNIOR WOMEN'S CLUB.

1. Nov. 19 Palo Alto Woman's Club Bazaar and Boutique

   The Junior Club served coffee, tea and homemade breads for breakfast. They cooked and served the luncheon for 200 women. The Juniors received all the preceeds from the breakfast and luncheon.

2. Penny Pines Project---the two clubs divided the fee of $68.00.
3. The Junior Club attended the general club's birthday luncheon. They also participated by contributing food, serving and cleaning up.
4. The Junior Club will participate in the Loma Prieta District Meeting being hosted by the Palo Alto Woman's Club Mar. 13, 1072 by serving coffee and doughnuts at 9:30 A. M. and lunch at noon.

PRESENTATION OF PROGRAM TO THE SPONSORING CLUB BY THE JUNIOR CLUB

PRESENTATION OF PROGRAM TO THE JUNIOR CLUB BY THE SPONSORING CLUB

The general club will honor the Junior Club at a Pot Luck Luncheon May 3, 1972.

SPECIAL GIFTS OR SERVICES

On April 26, 1971 the Coordinator honored the president of the general club, Mrs. Craig Carpenter, the president of the Junior Club, Mrs. Donald Nusbaum, Mrs. Donald Smith, Mrs. Larry Cuttrim and the graduating Juniors, Mrs. Ray Reese and Mrs. Richard Osgood with a luncheon and presented each with a gift.

The Coordinator presented the Junior Club president, Mrs. Donald Smith and secretary, Mrs. Bernard Musch with Christmas gifts in Dec. 1971.

The Junior Club honored the general club president and Coordinators in conjunction with the Junior Club past presidents, Feb. 10,1972.

The Junior Club plans to present a gift to the general club and also contribute to the favorite project of the president of the general club.

The Coordinators plan on presenting the Junior Club with a gift before the end of the current year.

January 31, 1972

Dear Mrs. Godel,

Hope I'M not too late with this report.

So far this past year the committee has been involved in having Mr. Whitson, and the Chamber orchestra from the Palo Alto school district perform at one of our meetings and gave them a donation of $100 as a sponsoring patron. In addition, the clubwomen are learning through the Palo Alto Adult Education program how to transcribe books in Braille for the blind children in Santa Clara Co.

I have been following very closely, the proposed Drug Task Force program proposed for Palo Alto, and am attending a final hearing tonight at Gunn High School. If and when this program is resolved, I feel it very necessary that the Women's Club of Palo Alto become involved. The president of the Juniors, Diane Smith & I have already discussed working together on this as a whole committee as soon as there is something concrete to work with.

One additional thing that has been done this year is to donate ~~$15~~ money to the new Palo Alto 4H Club for their 4H banner. These youths are involved in the care and feeding of the ducks and other fowl at our Palo Alto Baylands.

Hope this is enough for you to work with

Sincerely,

Gerry Monsmith

REPORT ON SAFETY
Woman's Club of Palo Alto

February 14, 1972

Our theme for this year has, thus far, been directed towards personal safety. This chairman has presented Thoughts for Safety at two (2) meetings so far, and expects to do the same at least two (2) more times.

EXAMPLES:

"Ladies do fasten your safety belts every time you are in an automobile. We would rather see you here in a wrinkled dress than crumpled body."

Look Before you leap

Lock before you back out of your garage,
Look before you back into the street,
Look when you come to a corner,
Look out at that intersection,
Look out for children, people and pets that seem to dart from nowhere,
One look might save a life and it just might be your own.

Our committee has met and co-ordinated on projects whth the Safety Committee of the Junior Woman's Club of Palo Alto We contacted Pre and Nursery Schools and together we placed approximately 1000 phamplets on bicycle and kit flying safety. We are planning to work with these young women in distributing phamplets on boating and water safety at the annual boat show to be held on March 15th through March 17th at the Mayfield Mall Shopping Center, Mtn. View, California. Working incolaberation with these junior members has been both rewarding and enlightening.

On April 5th, 1972, the program will feature the Chief of Police of Palo Alto discussing crime prevention. The more we do to prevent crime, the safer we'll be in every way. Our Loma Prieta District Safety Chairman will also be on this program bringing us pertinent facts on safety.

We shall continue our efforts for the rest of the year until June 1st. projecting summer safety; camping, fire, water, artificial respiration etc.

CREATIVE EXPRESSION REPORT

February 2, 1972 — Mrs. Merlin L. Fenney, Chairman

I The program at our opening reception was a concert by the Palo Alto Chamber Orchestra. The orchestra is comprised of teen-age musicians who have won the admiration and respect of our community for their dedicated work in presenting excellent concerts. Our President presented them with an Honorarium of $100. They were given an opportunity following the program to promote ticket sales for their coming series of public concerts.

II At each meeting the Music Chairman and Song Leader select a patriotic song, then accompany and lead the members in singing the song.

III Club Talent was stressed at our December first meeting with the Extempore Choir singing a group of Christmas carols. A brief history of the carols was prepared by the music chairman and read by the song leader. Mrs. May Lutz, a club member, gave a book review on her latest book of poems, "Song for a New Generation", and she told of her activities in helping young people with Poetry Therapy.

LV The Gunn High School Choir and Madrigal Singers presented a fine concert of Christmas music at our December 15th meeting. They received an Honorarium of twenty-five dollars for their music fund.

V Music Chairman, Mrs. Merlin Fenney, pianist and composer, played her own compositions in a special holiday concert, "Christmas and the Wise Men Four", at the Palo Alto Community Cultural Center December tenth. The program was also given by request for the Lions Club of Palo Alto, the Swedish Club of San Francisco, and the Senior Citizens of Little House, Menlo Park.

VI A Sextette of club members has been rehearsing with the music chairman as accompanist, for the purpose of preparing special songs for entertainment at some of our club events, *including 2 songs recommended by the state chairman.*

VII Other cultural and musical programs scheduled for our club meetings are the "Fan Fairs" of Foothill College March first, the "History of Dixieland Jazz" illustrated by the Palo Alto Shrine Band on March 15, and a program by our Drama Section and the club Sextette on May 17. The Sextette has also been invited to perform at the District Meeting in March and at our club's Fashion Show in April.

Dear Lyndal,

Enclosed are my reports for Tea Chairman, Ways & Means and Art Chairman.

Also are copies of two letters I received in regard to my activites in 4-H. One refers to the purchasing of lambs at the Auction and the second to my being a Cooking and ~~and~~ Sheep Leader. I now am also Community Leader for the Baylands 4-H Club,a newly organized Club in the Palo Alto area, due to the large enrollment of children we had to start a second Club.

I also am the Key Leader for the 3 Clubs in Northern Santa Clara Co., Palo Alto 4-H and Vista, which is located in Los Altos. Thought this might be interesting for your Youth Committee Work.

During the summer we had 3 Bridge Benefits. Mrs. Ralph Monre was chairman ofthe June Veterans Benefit. Mrs. P.Bliss Olson was chairman of the July and August Benefits. The adverage attendance was 45 and dessert was served at each. We netted $193.65.

In October we had a Luncheon served by the Ladies Luncheon League, 415-961-3483, 90 people attended. Mrs. Howard Weller was Chairman. It was very successfull, the food all supplied by the Ladies Luncheon League but a good working committee helped helped to cook and serve the meal. We netted 180.00.

November we had our Bazaar and Art. Show. Mrs. David Brichta was chairman and members had met all summer and up to the date of the Bazaar on each Monday of the months to make items for this. We made over $400.00

In October we had a Bridge Benefit for the Dann Services for Veterans. Mrs. Ralph Monre was Chairman. Dessert was served followed by an afternoon of Bridge. $119.50 was the net.

A Beautiful Doll and Wardrobe was made by Mrs. John Burke and donate for the Bazaar in November to benefit our Scholarship Fund. It was won by Mrs. P.Bliss Olson.

January was our Birthday Luncheon Benefit. Mrs. Iola Sparks was Chairman. The tables were decorated to represent each month of the year. There were about 145 reservations. There were birthday gifts for each person attending, donated by merchants. Very successful.

February will be the Valentine Bridge Benefit. Always well attended. Mrs. Phoebe B.Seagraves is Chairman.

AtNovember, December and January meetings 2year Calendars, Song Birds NOte paper, California note paper, Xmas cardsof America and California were soldby the Ways & Means Chairman. We netted about $55.00.

March was Guest Night Dinner. Mrs. Dorothy Wall, Chairman. Beacause of the paid entertainment we don't usually make money on this evening.

At the Rummage Sale on March 30th we expect to make about $300.00. Mrs. Willard Houghton is Chairman.

We had an Art Class start in Sept. at the Club House, sponsored by the Palo Alto Unified School District's Adult Education Dept. Gloria Molinari was the instructor. 32 women enrolled, 19 were Woman's Club of Palo Alto members. There were beginners and advanced painters. Acrylics and oil paints were the main mediums used. We were taught new ways to create paintings, the use of light and dark, color and shape balance. We had an Art Show in November, ribbons were awarded for 1st, 2nd, 3rd and 4th places. It was a very interesting session.
We started a second Art Class Session in January with an enrollment of 21 and 10 were from our Club's Membership. After each class our paintings were critized by the teacher and class, which is an interesting teaching and learning experience.

The Classes meet once aweek on Thursday mornings for 10 weeks.

The above mentioned winning paintings at our November Art Show will be displayed at the Federated Women's District Luncheon at our Palo Alto Clubhouse in March.

The Tea Chairman invites members to be a Tea, Dessert or Luncheon Chairman for each regular Club Meeting, which are twice monthly. This is arranged in May. The Chairman of the Day in turn chooses her committee (usually 3 besides herself) to help plan the refreshments, decor, serve and clean up. Many times Betty Brichta would decorate the tea table with an appropriate center piece when asked by the Tea Chairman of the Day. The Tea Chairman of the Day was in charge to ask two members to be pourers, to ask the Head Tea Chairman to open the Club Housefor her and her committee at the time they wished to go to set up, and to submit a cost report to the Head Tea Chairman and to the Treasurer.

The Head Tea Chairman must phone or remind Tea Chairman of the Day a couple of weeks in Advance of their date, know how to run equipment available and how to open cupboards and tell where needed items are located. Also check program to estimate number of people that may attend and how many involved in program to plan refreshments to be served. Such as the Choir for the Christmas program involved 50 members, so cookies and punch were served on the front porch as they went to their bus. This saved our Tea Table and they were pressed for time too so it worked out very satisfactory.

The Annual Reception at the first Meeting in September was arranged by the Previous years Tea Chairman and the Incoming Tea Chairman, a very good arrangement.

Each Tea or Luncheon was outstanding with a variety of refreshments and decor. All members were honored at the Birthday Luncheon in January. The Junior Women's Club will be honored at a Potluck Luncheon in May. The Past Presidents will be honored at the Tea on the Second Meeting Day of May, May 17,1972.

Dear Buyer:

Enclosed is a copy of the ad which appeared in the local newspaper on Friday afternoon, August 27, and Saturday morning, August 28.

On behalf of the Junior Division, Santa Clara County Fair, I wish to acknowledge the help which has made possible the most successful sale which we have ever experienced. It is only through your continued help in activities of this kind that we are able to carry on with this type of activity which is so meaningful to many of our young people. We are certain that it is far better to provide activities of this type which give young persons something worthwhile to do than it is to leave such young people with time on their hands and automatically perhaps engage in activities that do not have the approval of society.

We trust that you will accept our grateful appreciation and continue to support the future activities of our young people.

Very truly yours,

VETERANS' AFFAIRS
MENLO PARK HOSPITAL

CHAIRMAN, MRS. GEORGE ORMSBY

On the first, third and fifth Tuesdays of each month members of this committee work at the Recreational Center of the Menlo Park Veterans' Hospital serving coffee and cookies to the patients.
Our Club contributes ten dollars per month for this project which goes toward buying cookies. In addition to this the committee members contribute cookies when they serve.
This service which is so much appreciated by the patients, is rewarding to us and well worth our efforts.
The members of the committee are: Mrs. A.S. Adcock, Mrs. L.M. Cook, Mrs. A.E. Goodwin and Mrs. George Ormsby.
We have served 100 hours during the past year.

Respectfully submitted,

Mrs. George Ormsby

REPORT OF THE PROGRAM COMMITTEE

Submitted by Dorothy Wall

The first program for 1971-72, held on June 2, 1971, was a talk on Fault Hazards in the Bay Area by Mr. Timothy Hall from Foothill College. Mr. Hall showed slides to illustrate his facts. He pointed out the areas which in his opinion would be hardest hit in time of earthquake.

On September 15, 1971 our program for the annual reception took the form of chamber music by the Palo Alto Chamber Orchestra. Mrs. Marguerite Fenney introduced the group. At the end of the program a check for one hundred dollars was presented to Mr. Wm. Whitsun, orchestra leader, for a sponsorship for the orchestra for the current year. Mrs. Marguerite Fenney made the presentation.

On October 20, 1971 we held "Luncheon Is Served". There was no program set up by the program committee, but the company providing the luncheon put on a little advertising progrm in which they gave away prizes.

The November 3, 1971 meeting program was in honor of our Veterans. Mrs. Warren Grass, State President of Armed Forces gave a talk on Veteran Statistics. She was presented by Mrs. Ralph Monroe, our chairman of Veteran Affairs.

The pressing subject of Ecology was the program for the November Seventeenth meeting. Mr. Lane Carpenter of Ecology Action in Palo Alto spoke to us on re-cycling, giving us specific information about re-cycling stations in the area. Mrs. Dorothy Wall introduced the speaker.

On December first, we presented a program given by our own club member, Mrs. May Lutz, a nationally known poet. Mrs. Lutz spoke on her latest book, "Song for a New Generation". Mrs. Aileen Burke presented the speaker.

We presented the Gunn High School Acapella Choir led by their director, Mr. Walter Thomas, for our December Fifteenth program. The choir gave us a comprehensive selection of Christmas music which made the auditorium ring with music. In of Mr. Thomas's introductions he made the remark that we had a very good room for music - the accoustics were perfect. Mrs. Marguerite Fenney was program chairman for the day. She presented Mr. Thomas with a check for twenty-five dollars for the choir.

The program for the January Fifth meeting never materialized. It had been arranged and confirmed to have Mrs. Sarah Butler of the Lisk Women's Club of East Palo Alto speak on the services of her club. Miss Lisa Todd, eight years old and present Juvenile Champion Baton Twirler of the State of California was to have

given us an exhibition of her work, but she became ill and could not appear. The committee is sorry these people could not have called Mrs. Wall on tne morning of the program so that she could have obtained another speaker

On January 19, 1972, we neld tne annual Birthday Luncheon. Mrs. Jean Fyfe was reservation chairman. Mrs. Aileen Burke was program chairman for tne day. She presented Mr. Older of the Draper Music Center who put on a program of guitar music.

BIRTHDAY LUNCHEON REPORT - 1-19-1972

The birthday luncheon, held Wednesday January 19, 1972, was well attended. We had 99 paid; 43 unpaid because of expenses incurred for the luncheon for which they were not reimbursed. There were fifteen members who did not attend because of illness.

Twelve hostesses were invited to serve and take complete charge of their respective tables (decorating, setting, food, calling members, serving and clearing the table and reporting to the General Chairman. They, in turn, formed their own committees to work on the table. It is regretable that some members make reservations then do not come, nor send in money, and we did have some of this; few came without reservations.

The Club furnished buttered rolls, beverage, ice cream and cake. Six members served in the kitchen and were most helpful, then others, seeing the need, putched in to help. I would like to recommend that in the future someone be hired to work in the kitchen--making coffee and tea, stacking dishes, etc.

Mr. Hays, the Custodian, was most helpful in setting up the tables and endeavoring to have adequate room at each table for the number of reservations. He made a chart and set the tables according to the number given him on Friday; Tuesday night/the chairman went to the club to tell him of additional reservations.

We received	$148.50	from paid reservations

I. For each Club meeting, the Foyer, the Auditorium and the Tea Table are decorated with greenery and flowers from member's gardens. The flowers and then removed and taken to a Hospital or Convalescent Home by members. The club grounds are maintained, fertilized, watered, cut with the help of a caretaker and sometimes by different members. Trees were given to the club by its Past Presidents during this club year, and were planted by a member's husband. We also planted two Redwoods and many Monterey Cypresses, which can be viewed at 1256 Pitman Avenue, as per the attached snap.

Members make corsages for new members and for honored guests.

Plants are sent to members ill in the hospital or confined to home. However, if a member or a member's spouse dies, a contribution is made to the Club Scholarship Fund, in lieu of flowers.

Sister Roslie of Our Lady of Fadima Conv. Hospital,Saratoga, Ca. asked us to plant flowers in the fifteen boxes at each Station of the Cross situated outdoors among a rook of Redwoods. This was accompolished and very well appreciated.

A Bazaar was held at the Club where many, many, plants and flowers, which were raised by the members of the club were sold and told about as to their name and how to care for them. This was held at the Club House on November 19.

A wonderful display on "Teaching Conservation through Outdoor Education Areas" was exhibilted at the Clubhouse the day of the Bazaar. The Junior members were very much impressed with the Exhibit.

various outdoor gardens for display at the Concours d'Elegance Show to be held in September 1972 at El Camino Park, Palo Alto to Benefit the Lions Club of Palo Alto Charities and the Community Association for the Retarded.

The Board approved contributing to "Save-the-Redwood League". The organization is striving to acquire intact the timber lands shown on the cross hatched area of the map attached. This area is know as the "Berry Creek Falls Section."

In August the club gave a cash gift to California State Parks Foundation for preservation of California Poppies, and an answer reported that 300 square feet in California Wild Life Preserve has been designated with our club name.

In cooperation with Palo Alto Junior Woman's Club, each paying half or $34., a Penny Pines Plantation has been purchased.

The Club maintains membership in the Palo Alto Historical Association, and has just purchased a life membership, $300.00 and working to help save the historical Squire Mansion for the Association. This house has been a landmark in Palo Alto and has recently been threatened with bull-dozing to make way for an Apartment complex.

In October a donation was given to the new Palo Alto Baylands 4H club. One of our members is Community Leader for this new club, which is involved in the care and feeding of the ducks and other fowl at the Palo Alto Baylands.

The Woman's Club of Palo Alto maintans membership in the Palo Alto Chamber of Commerce. They attend civic meetings re: Planning, Housing, and report to the club meetings.

Chairman's Report

Informing our club members of new books, arriving at the library, on Gardens and Beautification have been our concern, as noted per attached clipping.

We took many pictures of our growing flowers and plants and had many discussions concerning them. 1. How to keep pruning the Pyracantha in order to produce greater and better blooms and red berries, which last all winter. This plant needs thoughtful annual pruning. 2. How to prune and grow beautiful Roses, 3. How to Grow Wonderful Camellias in pots. See attached snaps.

III I was very proud to be the Gardens & Beautification Chairman for the Woman's Club of Palo Alto and enjoyed doing and helping others with all of our Club's projects.

I sincerely appreciate the wonderful help and assistance given to me by Mrs. Ralph Monroe the District Chairman.

BRIEFLY DESCRIBE PROJECTS: The Palo Alto Woman's Club House is being used for three classes, sponsored by the Palo Alto Unified School District Adult Education. All open to the public.

FIRST: Our main project are the classes in BRAILLE. Club members and others are learning to type Braille, with the aim of helping to make master copies of text books which will be duplicated for blind students to use in school. There are 25 in this class. The class meets Monday morning each week at the Clubhouse.. One member saved $125.00 worth of Blue Chip Stamps and purchased her own Braille Machine. Others are going to do the same. However, the Adult Education furnish the Braille machines for the class. No fee is charged for this class.
SECOND: Art classes entered by beginners and advanced, acrylic and oil. An Art show was held in November and four ribbons awarded. The class of about 34 meet each Thursday morning at the Clubhouse.
THIRD: Current events class for the seniors in the community.

OTHER PROJECTS ARE ATTACHED.

1. STATE REASON FOR CHOICE OF PROJECTS: There are many senior citizens in our community and in our Club. Many have lost their loved-one and are alone. At the beginning of the year, president's message was, "Let us be Builders in Service for our Community. Work of Charity this year, especially for the Blind and the Aged, is rewarding and should never be tiring, for we are 'DOING FOR OTHERS'".

2. TELL EXTENT OF COMMUNITY COOPERATION: The cooperation has been wonderful. The Braille class will probably go on for years and since it is a very hard class to start in the middle of a term, the instructor has a waiting list for next Fall. Many senior citizens in the community who didn't have the time and money when they were younger and working for a living, have now found self-satisfaction in taking up Painting.

3. OUTLINE PERMANENT RESULTS: When we are learning to type Braille, and make text books for the blind students, so that they can keep up with their fellow students in school, we are "DOING FOR OTHERS". ART lessons fills a desire in a person, and to have this opportunity when over the age of 60, is gratifying. Most of these senior citizens are alone, they have lost their loved ones, they need something to do. Our Club is going to keep trying to bring happiness into their lives.

serve as hostesses at the downtown drop-in center for senior citizens. Members attended an Ad Hoc meeting at a downtown church, and 4 will be on the board, for low cost meals to be served three times per week to senior citizens. This plan is sponsored by ~~Kiwanis~~ Rotary Club and will be subsidized by the Government.

Members also wrote letters and attended meetings about low bus fares for senior citizens and handicapped people. This will be an experiment beginning March 1st, with bus fares of 5 cents until 4 PM.

A Club Tour Director arranges charter bus trips to interesting places, for members, and mostly older members take advantage of the special rates. Tours to a large shopping center at Christmas time; to a Flower Show at Hall of Flowers in Golden Gate Park: to British Week Fashion Show in San Francisco; to the Ice Follies.

One member is Tour Director for the Community Center Senior Citizens Group of which many Women's Clubbers are also members. So our members have two chances for charter bus trips and many take advantage.

MUSIC The Club Chairman, pianist and composer, played her own compositions in a special Holiday concert at Palo Alto Community Cultural Center. This program was also given by request for the Lions Club of Palo Alto; the Swedish Club of San Francisco and the Senior Citizens of Little House, Menlo Park.

Club talent at our December first meeting with the Extempore Choir singing a group of Christmas Carols. A brief history of the carols was prepared by the music chairman and read to the assembly.

A Sextette of club members has been rehearsing with the music chairman as accompanist and director, for the purpose of preparing special songs for entertainment at some of our club events. The Sextette has also been invited to sing at the District Meeting in our clubhouse in March and at the club's fashion show in April.

CRAFTS

The Crafts section met each Monday morning all summer long and thru November, making many items for our Bazaar: Christmas items, towels, pillowcases, dolls and many et ceteras. The bazarr brot in $425. Everyone had a good time.

For each meeting, the Craft Chairman decorates the Presidents table and the Auditorium. Corsages are made from flowers brot by club members from their gardens. The Tea Table is decorated by the committee for the day.

January 19th, a Birthday Luncheon was held. A table for each month was decorated suitably by each table's hostess. For dessert, our Craft Chairman made a large decorated Birthday Cake, much enjoyed by all.

Many of our Club members also belong to the Ludie Stern Community Center group of Senior Citizens , and showed some of their craft work at the Center's Talent show. One club member showed the clothes she had made for a trip to Europe, including dresses, suits, a coat and hats. Other members dressed dolls or made favorite pastries.

Craft classes will continue in June, to make items for our next fall fazaar.

The club held a joint benefit bridge with the Junior Women's Club to benefit the Dann Project at Palo Alto Veterans Hospital. Ward parties are held, with refreshments for the patients. The dub also gives a monthly donation to The Haven at the Menlo Park Division of Veterans Hospital, with two members serving as hosttesses.

Members serve as hostesses at the Palo Alto Senior Adult Guild Drop In Center in a downtown church. Our club was one of the early sponsors of this project. It is open for six hours daily thru the week for any senior citizen who needs a place to rest or wait for a ride or just to pass the time of day. One club member is on the Board of Directors of PASAG.

The club house is decorated for meetings with flowers and greenery from members' gardens. After the meetings, the flowers are taken to hospital or rest home or to a shut-in's home. One member has offered herself as a Friendly Visitor to anyone who would welcome her. Various groups in the club have small get-together teas, to become better acquainted.

Memorials to a deceased member or her spouse are in the form of contribution to the Scholarship Fund.

The Club Tour Leader arranges charter bus tours at reasonable costs to varied interesting places, for members. This year they have gong to a Flower Show at Golden Gate Park; to the British Fashion Week program in San Francisco; and to a new large shopping center.

Another club member is Tour Director for a local Senior Citizens Club, to which many club members belong.

The club belongs to Palo Alto Chamber of Commerce, and is a life member of the Palo Alto Hisotical Society

Club Philanthropies include donations to: The Epilepsy Society; Penny Pines Foundation; Palo Alto Chamber Orchestra; Save the Redwood League; 4H Club.

Club meetings are opened with a reading of the Club Collect, followed by a renewal of the Pledge of Allegiance to our Flag, and a patriotic song by all.

The Podium, a benefit for Council for Area Retarded, is using our clubhouse for their programs, and many of our members attend and support this project.

The Women's Club of Palo Alto cooperated with the Lions Club at their Concourse to benefit Council for Area Retarded and their Blind project, and will again cooperate at the next Concourse.

Braille classes are held weekly in the clubhouse, taught by a Palo Alto Unified School teacher, and attended by club members and others. This project will teach us to make text books for blind children.

An annual Pow Wow bridge game is held by the club, to benefit our Indian Scholarship.

This Chairman has attended meetings on the Drug Task Force program proposed by the Palo Alto Police, and her committee will work with the Junior Women's Club on this program.

A donation was given to a newly formed Baylands 4H club. These youth are involved in the care of ducks and other fowl at our Palo Alto Baylands, feeding them etc. One of our Woman's Club members is Community Leader for this newly organized club.

Our Safety Chairman and her committee has met and co-ordinated on projects with the Palo Alto Junior Woman's Club. They have contacted pre-and nursery schools, and together have placed approximately one thousand pamphlets on bicycle and kite flying safety. Pamphlets will also be distributed jointly by the two clubs at the annual boat show at Mayfield Mall in March. Efforts will continue, and

project summer safety: camping; fire; water; artificial respiration etc.

At each club meeting, safety hints are given, such as advice to fasten seat belts at all times while driving a car, and look out for children, people or pets that seem to dart out from nowhere. And the more we do to prevent crime the safer we will all be in every way.

Our Crime Prevention and Rehabilitation Chairman has attended film reviews by Dr. Kempe of University of Colorado School of Medicine on "The Battered Child". She and her committee have attended court sessions where children were involved; They have visited the local Police Department and talked with the agents set up in Crime Prevention Bureau about the different methods individuals are able to use and tell their neighbors and friends, to prevent burglaries and robberies, so often committed by our youth.

Our Legislation Chairman has alerted us to various legislative measures concerning legalized lottery, race courses; permission for minor children to get birth control and contraceptives without parental consent or knowledge.

Our Environmental Health Chairman has presented a program of Preventive Medicine, and we have sent a substantial donation to the Epilepsy Society.

We have had a program on Ecology, and members and their children assisting, have collected and turned in to various depots, flattened tins, glass, aluminum and old newspapers, to be re-cycled.

We have had a probram by our member Gertrude May Lutz, a renowned poet, who told us of her use of Poetry as Therapy with children and adults. She has endouraged many disturbed children to write poetry, some has been accepted by publishers.

drop in center for senior citizens who need a place to rest a bit while waiting for a bus, or a friend to meet her or him. Two women at a time serve for 3 hours Tea or coffee is served, games, magazines, a piano, and friendly hostesses are features of this popular stop. The beginning idea for this project was born at a meeting in our clubhouse sponsored by our Community Affairs Chairman, with church and civic leaders present. Two of our Women's Club members are on the Board of this PASAG organization. Many of our Women serve as hostesses.

Palo Alto Unified School District Adult Schools are holding three courses in the clubhouse; Classes in Current Events; Art; and Braille, open to the public, and attended by many of our club members.

Programs are of interest to all - a Book Review by a member who is a renowned Poetess- Music by our member who is a pianist and composer of music and lyrics -- programs on our American Heritage, illustrated by pictures taken by a member. And many other programs, such as Preventive Mecidine; Yoga; Proper Diet.

Since the majority of our membership belongs to the Gerontology division by age, each committee has older members, and most of our Chairmen are also older.

Our members belong to Palo Alto Community Center Lucie Stern Senior Adults, not all, but many. One of our members is Tour Director there.

All our women are interested in community projects, such as various youth groups; Ecology; candidates for office; Veterans affairs, and many others.

The meetings always open with a prayer, followed by renewal of the Pledge of Allegiance and a patriotic song. The auditorium, foyer and tea table are beautifully decorated, and after the meeting is over, flowers are taken to ill in rest homes or hospitals or at home. Memorials to deceased members or a spouse are in the form of contributions to our scholarship fund.

The clubhouse is maintained in safe condition for all who enter it. Safety hints are given at each meeting.

Meetings of The Woman's Club of Palo Alto always begin with a reading of the Club Collect, either read by our American Chairman or in unison by the Assembly. This is followed by a Renewal of the Pledge of Allegiance to our Flag. The Flag is always properly and prominently placed.

The Club maintains membership in Palo Alto Chamber of Commerce, and is a life member of the Palo Alto Historical Society.

The club has sent a donation to California Wild Flower Preservation, and a response tells us that 500 square feet of wildflowers has been designated with our name. The club has purchased a Penny Pines Plantation jointly with Palo Alto Junior Woman's Club, each club paying half. A cash gift has also been given to Save the Redwoods League.

The club gives a scholarship to a Palo Alto High School Senior each year. A scholarship is also given to the Maple Creek Willie Indian Scholarship, for which a benefit Powwow bridge is held. In addition, substantial cash gifts are given to Palo Alto Chamber Orchestra, a youth group, and to an ADsepilla Chair in a local High School, and a new Bayiands 4H club.

On February 3, 1972 a special program on "American Heritage" was given by a member. She read a prayer by Thomas Jefferson, and spoke briefly of the beginning of our country's government, then showed pictures of the site of the first American Colony at Jamestown. Plus many other pictures of historic places in our early days.

On March 15, 1972 the program will be "History of the Dixiland Jazz, illustrated

by the Palo Alto Shrine Band.

Our legislation chairman alerts the members to the various controversial measures coming up in the legislature and urges that letters be sent to our senators and representatives, so they will know our separate convictions. We have copies of many answers in our club files, from our legislators.

Members serve on Jury, on Election Board, attend court trials, attend City Council and Planning Commission meetings and work on many committees for the betterment of the Aging, and the Youth. The club is working closely with the Junior Women's Club on projects to help the Blind, the Handicapped and the Retarded and to distribute Safety Pamphlets to young and old, regarding Kite Safety, Bicycle Safety, Boating, Fire, Water safety etc.

Many club benefits are held for our Veterans, and special attention is given to the DANN, INC. rehabilitation program. Parties and meals served at Half Way Houses, plus many useful items for this house; books and magazines, etc.

Our Tour Director arranges charter day bus trips to various points of historic interest for members

The clubhouse is used by a Church group each Sunday.

One of our Club members who is an ordained minister, will hold Good Friday services, with music, at the clubhouse, for all who wish to come.

The December 1st program was presented by our member Mrs. Gertrude Mae Lutz, a well known poetess. She read parts from her latest book "Song for a New Geration", and told us about how she uses Poetry as Therapy for disturbed youth and adult, and how successful this has been.

The Music Chairman played her own composition in a special holiday concert at the Palo Alto Community Cultural Center on December 10th. This program was also given by request for the Lions Club of Palo Alto, the Swedish Club of San Francisco and the Senior Citizens of Little House, Menlo Park.

On March 15, the program will be "History of Dixieland Jazz" illustrated by the Palo Alto Shrine Band.

A program by our Drama Section and the club "Sextette" will be given for the District Meeting in March and at our club's Fashion Show in April.

The State Chairman has recommended two songs for these programs.

At our December 1st meeting the Extempore Choir sang a group of Christmas carols. A brief history of these carols was prepared by the Music Chairman and read by our Song Leader.

A club yearbook is prepared each year. Bulleting are sent out regularly to the members so that we all know what is going on or what has.

1. Club use. Weekly church services by a small church.
Monthly Podium series to benefit CAR.
Palo Alto Unified School Adult Education classes in Braille; Arts and Painting; Current Events; These are open to all, and many club members attend.
Weddings, lectures, fraternal lodges, etc.

2. Conservation. The club has given a Penny Pines Plantation, jointly with the Palo Alto Junior Women's Club.
Donations to Save the Redwoods.
Donation to Save our Wildflowers and a response says 300/feet square are desnigated with our name.

3. Ecology. Newspapers, tin, aluminum, glass are saved by the club members and given to re-cycling stations.
Used postage stamps, proceeds for Penny Pines.
Any items suitable for craft work, also saved.
Even the club decorations are used again, ad the flowers are taken to shut-ins at home or in the hospital.

4. Legislation. Our chairmen watches the legislative news and alerts our group as well as various others, so that for instance, floods of letters were written to our legislators against legalized lottery and gambling.

The immediate bill was lost, but our Chairman reports there are many new bills coming up and we must continue.

5. SENIOR CITIZENS. Ill and shut-in members and friends are remembered with personal visits, telephone calls, cards and flowers. Our club members are among the many volunteer hostesses at Palo Alto Senior Adult Guild drop-in center in downtown Palo Alto, and several members are on that Board. The original ideas for this center were told at a meeting in our clubhouse with our Community Affairs Chairman presiding, and church and civic leaders participating.

Four of our members are on the Ad Hoc Committee for the luncheons sponsored by the Rotary Club and four club members are on the board of that group. Club members are among the volunteers working on these lunches, one member as Chairman for the Menus and serving.

YOUTH. Scholarships are given to a Palo Alto High School Senior, and to the Maple Creek Willie Indian Scholarship program.

Substantial gifts have been given to the Palo Alto Chamber Orchestra, a youth group; and to a Palo Alto High School A Capella Choir; and to a newly formed Baylands 4H club whose responsibility is to feed and care for the wold birds at the Palo Alto Duck Pond.

One of the club members is a 4H leader and Direstic Director.

VETERANS. A check is sent each month to The Haven, at Menlo Park Division Veterans Hospital, and members serve regularly as hostesses. Benefits are held for DANN, INC. a rehability program at the Palo Alto Division Veterans Hospital, and for the

CRIME PREVENTION and REHABILITATION

At our April 5 meeting, Chief of Police, James Zurcher, of the Palo Alto Police Department will talk to us on Crime Prevention and Rehabilitation. He will emphasize Safety for women, on the streets and in their homes.

Our Chairman, and her committee has visited the local Police Department and talked with the agents set up in the Crime Prevention Bureau about the different ways we, as individuals, can help to prevent burglaries and robberies, which are so prevelant. We can talk to our neighbors and spread the word.

Our Legislation Chairman tells up about various issues coming up in the State Legislature, and urges us to write to our representatives on controversial issues, such as legalized gambling, pari-mutuel racing, etc.

ENVIRONMENTAL HEALTH

We have had an illustrated talk on Diet and Weight Control

We have had a talk, with film, on Fault Hazards of Bay Area

We have had a talk with films on work being done at Veterans Hospital.

The club is used for weekly lessons in Braille, open to the public and attended by several club members. We hope to help make text books for the blind.

Members serve as hostesses at local Drop In Center downtown, for elderly people who need a rest.

The club has a bowling team, members have healthful fun.

One member has offered herself as a friendly visitor to anyone who is a shut-in, who is lonely, or who would enjoy a chat.

Letters were sent asking the Palo Alto Transit Company and the City of Palo Alto to give special bus rates to the elderly or handicapped. This is now to be started on March 1 on a short term experimental bases. 5-cent fares for elderly.

The club is cooperating with the Junior Club women to collect used eye glasses to be given to the Lions Club for their blind project Direct Relief, to be re-cycled.

Palo Alto Police Chief will talk in April on Safety. Theme "Lady Beware".

The Woman's Club helped at the concourse at Stenford, with the Lions Club, the proceeds to be given to the Blind, and to the Area Retarded.

2 members attended the Government Committee for Ageing in Sacramento.

Items left over from rummage sales are given to Goodwill, or East Palo Alto Community Service Center

A gift of $40. was given to Epilepsy Foundation

Four club members attended an Ad Hoc meeting to plan meals for elderly. This is sponsored by the Kiwanis Club. There will be 5 low cost noon time lunches served each week, at low cost, so that the elderly people living in downtown area can be sure to have a balanced diet at least part of the time. These meals will be given in a local church, downtown.

Proposed legislative bills are reported to the club and members urged to study carefully. Letters written in protest of legalized gambling, also against giving contraceptives to teen age girls without parents knowledge or consent.

tickets for a circus sponsored by Plice Department were purchased and given back for needy children

The President of the Junior Women's Club and members of our club are working together on a committee for the proposed Drug Task Force program, and have attended the meetings.

A cash gift was given to a newly formed 4H club at Baylands Center.

Members serve on Jury duty when needed, and attend court sessions at other times.

Our tour director arranges charter bus trips to interesting places, which are most helpful and inspiring to members who could not otherwise see them.

LEGISLATION

Certain measures coming up in the State Legislature have been brot to the attention of the Woman's Club assembly. June 23, 1971 a letter of protest against legalized gambling in California was sent to the Speaker of the Assembly at Sacramento and to the Senators of the 12th and the 14th Senatorial Districts; to the Various Assemblymen, and to the Secretary of the Army, U.S.A., as authorized by the Board and Membership of the Woman's Club of Palo Alto. Answers from all are in our files. This issue is still "hot" and our efforts will continue.

Thru the efforts of our Chairman in our own and other groups she had alerted, floods of letters were written against a proposed Speedway in Mt View Milpitas. It was defeated. Will begin in another locale as this proposal by the gambling interests will be renewed.

Letters of protest against legalized prostitution have also been send to our legislators.

Traditionally our Club has opposed liquor licenses near schools, playgrounds and hospitals. Because of our protests, Palo Alto and Menlo Park have been free from these objectionable places. Many of our members attended hearings, protesting granting of license to Faculty Club at Stanford Campus for liquor, and also a beer and wine license adjacent to Palo Alto High School. This year the present Superintendent and Principal did not appear and the case was lost.

Stanford University lawyers were able to have the old clause written into all downtown Palo Alto property deeds by Timothy Hopkins, viz; no liquor could ever be sold on that property or it would revert to Stanford University

This was declared obsolete.

LEADERSHIP DEVELOPMENT

The Woman's Club of Palo Alto and the Palo Alto Junior Women's Club have cooperated on many projects during this club year.

The club is used for Palo Alto Unified School Adult Education classes in BRAILLE; ART and PAINTING: CURRENT EVENTS. These classes are open to all and are attended by many club members.

The club is working with the Rotary Club with their luncheon program for elderly, three times each week. Four club members are on the Ad Hoc Committee Board. One member is in charge of the Manu planning. Members will serve as volunteer hostesses, with members of other groups. This comes out of the Presidents White House Conference on Aging.

The club is active in the Veterans Hospital work. A monthly check is sent to The Haven at Menlo Park Division, and two members serve as hostesses there each month. Many benefits have been held for the DANN, INC. rehabilitation program at the Palo Alto Division and members have served dinner for the 17 residents at a Veterans Half Way House in Palo Alto, have given books and magazines to them. Ward parties are also held at the Palo Alto Veterans Hospital.

Scholarships are given each year to a Palo Alto High School Senior, and to the Maple Creek Willie Indian Scholarship. Substantial money gifts have also been given to Palo Alto Chamber Orchestra, a youth group, and to a High School Choral group; and to a newly formed Baylands 4H club. The latter club is responsible for the feeding and care of the wild birds at Palo Alto Duck Pond.

Substantial money gifts have also been given to Palo Alto Chamber Orchestra, a youth group, and to a High School Choral group; and to a newly formed Baylands 4-H club. The latter club is responsible for the feeding and care of the wild birds at Palo Alto Duck Pond.

Our Legislation Chairman reports on important bills coming up in the

legislature. Letters have been written protesting the lottery and gambling bills, and answers are on file. This Chairman has alerted other groups, and floods of letters were sent. The bill did not pass, but the Gambling Syndicate has not given up. Our Chairman urges us to continue our efforts.

Our Safety Chairman gives a Safety hint at each meeting. We will have a speech by the Palo Alto Chief of Police. Safety pamphlets of bicycle and kite flying safety have been passed out to schools. Pamplhets on boating, water safety will be passed out at the Boat Show . The Junior Women's Club and the Woman's Club are working on this safety pamphlet project.

We have had a program on Ecology. Members save newspapers, tins, glass aluminum to be recycled and craft materials such as egg cartons, plastics, are saved, some given to schools.

Jointly with the Junior Women's Club, we have purchased a Penny Pines Plantation, each club paying half. The Woman's Club has donated to Save the Redwoods and to the Save the Wildflowers. A response tells us that 300 square feet of wildflowers have been designated with our name.

Members are active in the YWCA; the Senior Coordinating Council; 4H; PTA; and the Lucie Stern Community Senior Adults. Club tours are arranged via charter bus to interesting places.

After club meetings, the flowers are taken to ill members and friends, who are also remembered with visits, telephone calls and cards.

A club member who is an ordained minister, will give Good Friday services with music, in the clubhouse, for all who wish to come.

Pictures were taken and shown on local newspapers, and a San Jose Television broadcast of the opening of the La Comida luncheons for Senior Citizens, in All Saints Church Parish Hall, Palo Alto. This is sponsored by the Rotary Club, with volunteers from Woman's Club of Palo Alto and other groups. Four of the Women's Club members are on the board of this committee, one supervises the menus and the serving of the meals.

Members were much interested in the beautiful Television pictures coming from China, which President and Mrs. Nixon visited there.

In addition to the Amenities Chairman, there is a committee of ten HOSPITALITY Chairmen. Each meeting day they greet members, with 2 or 3 members serving at the door.

The Program Chairman sees that the auditorium is set up for the day, flag in place, microphone working and the piano ready.

The Decoration Chairman has suitable arrangements for the Foyer and the President's table. Often, she uses flowers from member's gardens for these "bouquets". After the meetings, they are taken to shut-in members or to the hospital or rest homes.

The Tea chairman appoints a committee for each day, and they arrange a lovely table in the dining room of the clubhouse.

Home made corsages are made for honored guests and special occasions.

Members of the Palo Alto Junior Women's Clubs are welcomed at each meeting, and given a seat of honor and a chance to speak.

Guests are welcomed by the President. New members are introduced.

After the meeting is adjourned, all are invited to tea and visiting.

The President is assisted in gathering her materials etc. after each meeting.
